

IMPORTANT DATES

- **JUNE 30TH, 2021 (EXTENDED DEADLINE) - ABSTRACT AND PAPER (FULL/SHORT) SUBMISSION**
 - JULY 23RD, 2021 - ACCEPTANCE NOTIFICATION
 - AUGUST 20TH, 2021 - FINAL VERSION SUBMISSION (IN ENGLISH ONLY)
 - OCTOBER 06TH-08TH, 2021 - WBMA PRESENTATIONS AT AGILE BRAZIL 2021 (ONLINE, BRAZIL)
-

PRESENTATION

The 11th Brazilian Workshop on Agile Methods (WBMA'2021) is the research track at the Agile Brazil conference. WBMA is an academic event that focuses on agile software development. This year's edition comes with a change in its format: it will be online. This year, WBMA'2021 will be held on October 06th-08th, online - Brazil. The workshop will be included in the Agile Brazil schedule.

TOPICS OF INTEREST

The main topics of interest to this workshop are:

- Adoption of Agile / Lean
- Agile / Lean in Distributed Environments and Large Teams
- Agile in Government
- Agile Practices and Future Trends, Evolution, and Revolution (Technical or Managerial)
- Agile Principles, Lean Manufacturing, and Other Disciplines
- Agile Project Management, Outsourcing, and Governance in the Agile Context
- Agile Testing & Quality: Techniques, Patterns, and Automated Support
- Conceptual Studies and Theoretical Foundations of Agile / Lean
- Development in Distributed and Global Agile Teams
- DevOps and Continuous Delivery

PAPER SUBMISSION

Original papers should be sent electronically by EasyChair (<https://easychair.org/conferences/?conf=11wbma>). Manuscripts must follow the Springer template. Papers should be submitted in PDF format. Papers can be written in Portuguese or English.

Full Paper Submission

In full paper submissions, we expect original papers presenting finished results. Full papers might have between 12 and 15 pages, including figures and bibliography.

Short Paper Submission

In short paper submissions, we are expecting:

- Research in progress;
- Experience reports;
- Non-systematic literature reviews; and
- Position papers.

Short papers might have between 6 and 8 pages, including figures and bibliography. If you are an industry practitioner and have passed through innovative agile experiences, you may submit it in academic format to share with other practitioners and researchers in the Short Papers track. We are interested in all types of cases - either successful or not.
